It sometimes takes more than just great luck in the genes department to look as incredible as some [celebrities](#).

Abbey Clancy might look flawless, but she uses a few extra [beauty](#) tricks to make sure she's always looking her best.

The model is apparently a big fan of the Lipo Light treatment from [Angel Falls](#), which is billed as a non-invasive cellulite-buster - costing £750 for 10 treatments.

Abbey reportedly uses the light - which Angel Falls say can [help](#) you lose six inches after 10 treatments - to "boost her workouts" and was impressed with its results after giving birth to her daughter.

The 26 year old has been sharing her beauty secrets with her followers on [Twitter](#) during the past few days, tweeting that she's a big fan of Bio-Oil and Shu Uemura Art Of Hair Moisture Velvet Shampoo and Conditioner.
